Brianna Frontuto is an Associate with the Business Law Practice group. She practices out of the Firm's office in Morgantown, West Virginia.

Brianna's ability to adapt to the ever changing landscape of the law is what puts her clients at ease. From her time working as a Summer Intern for the General Counsel at West Virginia University and the U.S. Congress, she has shown the ability to work in any situation.

She has experience in dealing with transactions, drafting congressional records and memos, writing briefings, and more.

Brianna's past as a student-athlete, playing soccer at Northern Michigan, allows her to deal with high pressure situations and let her clients know she is able to handle things as they change.

While the law is one of her passions, Brianna is also the Head Coach of the Girls Soccer team at Morgantown High School. Enjoys playing the piano, guitar, drums, and other instruments. The law is not the only complex puzzle she likes to solve, she enjoys puzzles and solving a rubik's cube. Not to be outdone, she's been an avid fantasy football player since the sixth grade (and a huge Green Bay Packers fan).
